## Task Force

A group of dedicated health care professionals in Michigan committed their input and guidance to this important patient safety initiative. This was a very ambitious endeavor and without their personal involvement and passion for patient safety, this initiative would not have been possible. The MHA appreciates and acknowledges those who contributed to this project:

**Michele Adaline, BSN, CCRN, RN**  
Clinical Nurse Manager ICU  
Northern Michigan Regional Hospital  
Petoskey, MI

**Petra S. Berger, CPHRM, Ph.D., RN**  
Healthcare Risk, Quality, and Patient Safety  
Consultant  
Publications Manager and Senior Editor  
The Risk Management and Patient Safety Institute  
Lansing, Michigan

**Erica Bills, BS, MPH**  
Administrative Assistant  
Allegiance Health  
Jackson, MI

**Cathy Bogner, BS, CPHRM, RN**  
Risk Management Coordinator  
Hayes Green Beach Hospital  
Charlotte, MI

**Julie Bulson, BSN, MPA, RN**  
Manager, Emergency Preparedness  
Spectrum Health Hospitals  
Grand Rapids, MI

**Andrea Frederick, MSN, RN**  
Quality Director  
MidMichigan Medical Center-Midland  
Midland, MI

**Jane McLeod, BSN, RN**  
Vice President, Nursing  
War Memorial Hospital  
Sault Ste. Marie, MI

**Connie Rhoades, BSN, MPA**  
Director, Quality Management  
Marquette General Health System  
Marquette, MI

**Gretchen Schrage, MBA, MT (ASCP) SH**  
Manager, Performance Improvement  
Patient Safety Officer  
Northern Michigan Regional Hospital  
Petoskey, MI

**Lisa Simpson, BSN, RN**  
Clinical Nurse Educator - Emergency Department  
Henry Ford Wyandotte Hospital  
Wyandotte, MI

**Maureen Thompson, MSN, RN**  
Patient Safety Manager  
University of Michigan Hospitals & Health Centers  
Ann Arbor, MI

**Lisa Ward, BSN, RN**  
Lead Coordinator of Clinical Safety and Risk  
Management  
Providence Hospital and Medical Centers and  
Providence Park Hospital  
Southfield, MI/Novi, MI

## Financial Support

The following vendors contributed financially to the production costs of the MHA PSO's color-coded patient alert wristband standardization toolkit:

- IdentiSys, Inc., Eden Prairie, MN
- Laserband, St. Louis, MO
- Precision Dynamics Co., San Fernando, CA
- The St. John Companies, Valencia, CA
- Zebra Technologies, Vernon Hills, IL

## Contributors

The task force also expresses special appreciation to:

- The Arizona Hospital and Healthcare Association for allowing use and modification of its intellectual property on which this toolkit is based.
- The Hospital & Healthsystem Association of Pennsylvania and the Texas Hospital Association for allowing use and modification of its intellectual property on which this toolkit is based.
- The Pennsylvania Color of Safety Task Force, a group of 13 hospitals in northeast and central Pennsylvania that came together to standardize color-coded patient alert wristbands on a regional level. This task force created the original implementation toolkit and served as the catalyst behind other similar state initiatives.

## Production Credits

### Public Affairs

Lori Latham, vice president, Political and Public Affairs

Kevin Downey, assistant director, Public Affairs  
Ruthanne Sudderth, coordinator, Public Affairs

### Design

Kendra VanNote, division manager, Graphic Design & Print Services

### MHA Keystone Center for Patient Safety & Quality

Morgan Martin, project development coordinator  
Sam Watson, senior vice president, Patient Safety & Quality
